

Dear Parents,

During this year's study, your student has been working on many factors of music-making. As an added incentive, I would like to enroll him/her in the Illinois State Music Teachers Association's (ISMTA) Achievement in Music Examinations. Your student will be evaluated privately on the skills we have practiced, as well as pieces she/he has prepared, and will receive written comments, a certificate, and a pin for his/her efforts. First-time AIM students will also receive a medal with a ribbon that can be used to display the annual pins.

Over three thousand students across Illinois participate in the annual AIM Examinations. I would like _____ to prepare for AIM Level _____. The entry fee is \$_____. Medals for first-timers cost \$_____.

This year's AIM Examinations will be held at the following places on the following dates:

- Bradley University, on the morning of Saturday, _____
- Illinois Central College, on the afternoon of Sunday, _____

All AIM judges and personnel strive to make this experience a positive and rewarding one for all students. If you have any questions, please contact me. Thank you!

Sincerely,
