

MONSTER CONCERT – April 28, 2018, 4:00 pm

Dear Parent:

Monster Concert is a multi-piano festival that provides an opportunity for piano students to share an experience as participants in a piano ensemble. There will be 10 digital pianos on stage. The duet partners at each piano play the same duet as all the other students in their group under the direction of a conductor.

There is a \$25 registration due February 2, 2018 for each participant. (The check must be made out to me.) This fee includes pre-concert rehearsals with music professionals, concert t-shirt in fun colors, and concert evening performance at Illinois Central College, Performing Arts Center.
